ABOUT NEW AGE EDU SERV

New Age Edu Serv Established in 2020 to provide quality education for promoting the entrepreneurial culture across the country. Our aim is to identify the present gap of skill workforce and provide them the best knowledge which will help them to get the best opportunity in the market and further help the country to identifying and providing the right quality of education.

New Age Edu Serv is an institution which believes in providing knowledge beyond traditional classroom teaching help them to be identified as the best career opportunity in future. Our endeavor is to instill in students of responsibility and initiative to useful members of the society and that can play a very important role in the process of nation building.

ABOUT THE CONFERENCE

"Knowledge with action converts adversity into prosperity." — Abdul Kalam
Dissatisfaction and problems always leads to innovation. Thus, Innovation is increasingly being seen as the currency of 21st century.

The IMCICTR- 2022 provides a common platform to all the industry experts, academicians, research scholars and students to express their views and share their expertise knowledge about innovation. Also in this highly challenging economic scenario, the future prosperity of India is solely dependent on innovation, change and creativity.

OBJECTIVES:

The aim of conference is to provide a rendezvous for academicians, researchers, test developers, industrialist, university representatives, consultants and management students from around the globe to exchange ideas, meet fellow researchers working in diverse fields and generally help resolve the problems faced by the corporate world. The innovations in practices of business need to be tested on many grounds such as legal, political and social apart from economic development norms. Researchers and academicians with their research try to bridge the gap between theory and practice.
